REEDSCALE VEST

ARMOR 1

UNCOMMON

Price 4 gp; **AC Bonus** +2; **Dex Cap** +3**Check Penalty** —; **Speed Penalty** —**Strength** +0; **Bulk** 1; **Category** Light**Group** Leather

A sleeveless vest woven from overlapping strips of lacquered reed, supple hide, and broad marsh leaves cured until they feel nearly weightless. Each plate bends independently, producing little more than a dry whisper when the wearer moves. The armholes and waist are cut for a smaller humanoid's proportions, with enough flexibility through the back and legs to accommodate climbing, crouching, and sudden leaps.

CONSUMABLE

Price 3 gp;**Usage** held in 2 hands; **Bulk** L**Activate** → (manipulate)

With a sharp twist of this item, you instantly create a screen of thick, opaque smoke in a burst centered on one corner of your space. All creatures within that area are concealed, and all other creatures are concealed to them. The smoke lasts for 1 minute or until dispersed by a strong wind.

REPAIR TOOLKIT

ITEM 1

Price 2 gp;**Hands** 2; **Bulk** 1

A repair toolkit allows you to perform simple repairs while traveling. It contains a portable anvil, tongs, woodworking tools, a whetstone, and oils for conditioning leather and wood. You can use a repair toolkit to Repair items using the Crafting skill. You can draw and replace a worn repair toolkit as part of the action that uses it.

THIEVES' TOOLKIT

ITEM 0

Price 3 gp;**Hands** 1 or 2; **Bulk** L

You need a thieves' toolkit to Pick Locks or Disable Devices (of some types) using the Thievery skill. If your thieves' toolkit is broken, you can repair it by replacing the lock picks with replacement picks appropriate to your toolkit; this doesn't require using the Repair action. If you wear your thieves' toolkit, you can draw and replace it as part of the action that uses it.

Replacement Picks cost 3 sp.
